## Notification of Sales Tax Return Changes

Effective January 2020, the Department of Revenue will discontinue sending preprinted sales tax return(s). You should begin preparing to file your returns electronically.

Filing electronically through Revenue Online at [Colorado.gov/RevenueOnline](https://Colorado.gov/RevenueOnline) reduces errors and offers benefits such as viewing letters, making payments, viewing payment history and adding non-physical locations. Revenue Online also gives access to secure Web Messaging that allows contact with the Department directly. There are also many preparation software firms and accounting firms that offer services to assist in filing the returns with the Department.

If you plan to continue using paper forms, download the current version at the time you are ready to file. Our website [Colorado.gov/tax](https://Colorado.gov/tax) has the most current version of the return. Outdated forms cannot be accepted.

If you have questions feel free to contact us at 303-238-(SERV)7378.

Respectfully,  
Colorado Department of Revenue
